DISCIPLINES
Aerospace Studies

Observation and military balloons and airships; manuals, handbooks, and instructions; test results; international aerial regulations, aircraft and aeronautics

Notes of military interest for 1900 [for selected foreign countries, with data on defense budgets, forces, field artillery, ballistics, and French military schools; and information on military balloons; 1901. Military Information Division, Department of War (EBD 1)

Annual report of Director of Aeronautics to Secretary of Commerce for fiscal year ended June 30, 1927 (EBD 1)

Technical Bulletin No. 35: Development of military aircraft material for U.S. Air Service under supervision of Engineering Division [on military aircraft and aircraft engines, equipment, and testing; with data], July 01, 1923, Army Air Corps, Department of War (EBD 2)

Pressure Distribution on Wings in Reversed Flow. 1942. National Advisory Committee for Aeronautics (EBD 3)

Wood Aircraft Inspection and Fabrication. 1943. Army-Navy Civil Committee on Aircraft Design Criteria (EBD 4)

Turbulent Friction in the Boundary Layer of a Flat Plate in a Two-Dimensional Compressible Flow at High Speeds. 1943. National Advisory Committee for Aeronautics (EBD 4)

The United States Strategic Bombing Survey, effects of air attack on Osaka-Kobe-Kyoto. 1945. Department of War (EBD 4)

Civil Aeronautics Board Accident Investigation Report, Transcontinental & Western Air- Van Nuys- December 1, 1944. 1945. Civil Aeronautics Board, Department of Commerce (EBD 4)

Detailed mock-up information, A-3A automatic pilot. 1945. Army Air Forces, Department of War (EBD 4)

Third Report of the Commanding General of the Army Air Forces to the Secretary of War. 1945. Army Air Forces, Department of War (EBD 4)

Effect of Fatigue-Stressing Short of Failure on Some Typical Aircraft Metals. 1945. National Advisory Committee for Aeronautics (EBD 4)

The New Navy Anti-blackout Suits. 1945. Office of Naval Operations, Department of Navy (EBD 4)

War Department technical manual, aircraft instruments. 1946. Department of War (EBD 5)

A study of the accuracy of recognition of the incipient stall in familiar and unfamiliar planes. 1947. Civil Aeronautics Administration, Department of Commerce (EBD 5)

Psychological research on equipment design. 1947. Army Air Forces, Department of War (EBD 5)

An investigation of the relationship between visual ability and flight performance. 1948. Civil Aeronautics Administration, Department of Commerce (EBD 5)
African American Studies

African American experience in U.S. pre-Civil war, Civil War, Reconstruction, early 20th century; slavery; freedmen and freedwomen; employment; education; Freedmen's Hospital in D.C.; laws, regulations, and rules; socioeconomic conditions; diet; agricultural activities; health; military service; comparative information on Native American and ethnic groups

Fourth semi-annual report on schools for freedmen [with data on blind, deaf, and mentally ill and retarded adults and children in freedman population], July 01, 1867, Bureau of Refugees, Freedmen, and Abandoned Lands, Department of the Adjutant General (EBD 1)

Negroes in U.S. [with data by demographic and socioeconomic characteristics, State, census division, county, and city; and comparisons to Caucasian, total minority, and total U.S. population; 1900 and trends], 1904 (EBD 1)

Address of President Roosevelt at Lincoln dinner of Republican Club of City of New York, Waldorf-Astoria Hotel, Feb. 13, 1905 [on policy regarding black Americans] (EBD 1)

Negro education; study of private and higher schools for colored people in US: Volume I [on history and activities; with data on teachers, salaries, enrollment, facilities, and finances, by selected State and institution; educational funds and associations; and socioeconomic characteristics, 1917, Education Office, Department of Interior (EBD 1)

Vocational education in agriculture for Negroes: Recommendations for establishment of agricultural schools and programs for Negroes [with data on farm ownership and operational differences among blacks and whites; number, enrollment, agricultural teacher training programs, and occupations of graduates, May, 1926 (EBD 1)

Statistics of Negro race, 1927–28 [on education of black Americans; with detailed data on school finances, property, education, enrollment, attendance, teachers, and length of school year, by State] 1930 (EBD 1)

The urban Negro worker in the United States, 1925–36, an analysis of training, types, and conditions of employment and the earnings of 200,000 skilled and white-collar Negro workers, v. 1: Statistics by regions, 1938, Department of Interior (EBD 2)

Way of progress, Negro participation in the Federal Works Agency program. 1940. Federal Works Agency (EBD 3)

Negro Aviators. 1941. Bureau of Census, Department of Commerce (EBD 3)

Negro farm families can feed themselves [information on food consumption]. 1942. Office of Education, Federal Security Agency (EBD 3)

Selective service in wartime; Second report of the director of selective service, 1941–42. 1943. War Manpower Commission (EBD 4)

A Campaign to Organize War Bond Savings Clubs Among Negroes. 1944. War Finance Division, Department of Treasury (EBD 4)

Folk music of the United States, issued from the collections of the Archive of American Folk Song, album 10, Negro religious songs and services. 1945. Music Division, Library of Congress (EBD 4)

Negro women war workers. 1945. Women's Bureau, Department of Labor (EBD 4)

Agriculture

Agricultural research; conference proceedings; agricultural education; organization lists; agricultural economics; trade; extension work; agriculture in U.S. and non-U.S. locations; agricultural surveys; agriculture policy and aid

Influence of city on farming; (study of types of farms and their organization in Jefferson County, Ky.) [with data on surveyed farms; fertilizer use; livestock by type; production, acreage, yield, and labor requirements, by commodity; and farm finances, value, and type, by distance from Louisville], May 1918 (EBD 1)

Agricultural survey of Europe: France [with detailed data on population; employment; personal income and savings; land use; agricultural wages; farm size and tenure; land restoration; livestock; and yield, production, and trade, by selected commodity; and some comparative data for U.S.], September 01, 1924 (EBD 1)

Suggestions for construction of modern dairy barn, February 02, 1906, Bureau of Animal Industry, Department of Agriculture (EBD 1)

Proceedings of National Conference on Land Utilization, Chicago, Ill., Nov. 19–21, 1931 [on land use policy and agricultural conditions, with text of conference recommendations and list of organizations represented], May 1932 (EBD 1)

Journal of agricultural research, 1937, Department of Agriculture (EBD 2)

World’s Poultry Congress. How Government aids poultry industry, special publication supplementing exhibits of Federal Government departments of United States at 7th World’s Poultry Congress and exposition, Cleveland, Ohio, July 28–Aug. 7, 1939; prepared by Jos. Wm. Kinghorne and Roy E. Miller, 1939, Department of State (EBD 2)

Influence of variety, environment, and fertility level on chemical composition of soybean seed. 1942. Bureau of Plant Industry, Bureau of Agricultural Chemistry and Engineering, Department of Agriculture (EBD 3)

List of sires proved in dairy herd improvement associations, 1942 [data compiled by State and breeds]. 1942. Bureau of Dairy Industry, Department of Agriculture (EBD 3)

Further studies on removal of spray residues from eastern-grown apples. 1942. Bureau of Plant Industry and Entomology and Bureau of Plant Quarantine, Department of Agriculture (EBD 3)

Factors affecting usefulness of honeybees in pollination. 1942. Bureau of Entomology and Plant Quarantine, Department of Agriculture (EBD 3)

Northern Idaho forest resources and industries. 1942. Forest Service, Department of Agriculture (EBD 3)

Plants for insecticides and rodenticides. 1943. Office of Foreign Agricultural Relations, Department of Agriculture (EBD 4)

Report of the Chief of the Agricultural Adjustment Agency, 1944. 1944. War Food Administration, Department of Agriculture (EBD 4)

Food consumption levels in United States, Canada, and United Kingdom. 1944. War Food Administration, Department of Agriculture (EBD 4)

Army Service Forces Manual, M 352-7B, Civil Affairs Handbook, France, Section 7B: Agricultural Statistical Data. 1944. Army Service Forces, Department of War (EBD 4)

Changes in hay production in war and peace. 1945. Bureau of Agricultural Economics, Department of Agriculture (EBD 4)

United States exports of domestic and foreign merchandise (including exports under the lend-lease program), commodity by country of destination, March 1945 [vegetable foods]. 1945. Bureau of Census, Department of Commerce (EBD 4)

Tobaccos of United States, acreage, yield per acre, production, price, and value, by States, 1866–1945 and by types and classes, 1919–45. 1948. Bureau of Agricultural Economics, Department of Agriculture (EBD 5)

Spoilage of fresh fruits and vegetables in rail shipments unloaded at New York City, 1935–42. 1948. Bureau of Plant Industry, Soils, and Agricultural Engineering, Department of Agriculture (EBD 5)

Managing farm finances. 1948. Bureau of Agricultural Economics, Department of Agriculture (EBD 5)

Agricultural finance review, Nov. 1948. 1948. Bureau of Agricultural Economics, Department of Agriculture (EBD 5)
American Studies

American culture and social change; regional American studies, including New England and Southern studies; folklore; ethnic studies; societal evolution, including, and European influences; libraries, museums; Chinese exclusion and other anti-immigration efforts; women's studies; African American and Native American studies

Public libraries in U.S., their history, condition, and management, special report. Part I [with data on size, type, funding, and circulation of libraries, by State, city, and selected foreign country], August 31, 1876, Bureau of Census, Department of Commerce (EBD 1)

Smithsonian Institution, 1846–1896, history of its first half century [compilation of articles on organization, benefactors, and work in various disciplines], 1897, Secretary, Smithsonian Institution (EBD 1)

Weather folklore and local weather signs [on forecasting weather, with weather summaries for U.S. and selected cities, based on reports of Weather Bureau observers], 1903, Weather Bureau, Department of Agriculture (EBD 1)

Proceedings, Americanization conference, held under auspices of Americanization Division, Washington, May 12–15, 1919 [proceedings of conference on education and assimilation of immigrants, with list of attendees], 1919, Americanization Division, Department of Interior (EBD 1)

Market data handbook of New England [with detailed data on population characteristics, indicators of wealth and living standards, and retail and wholesale outlets, by county and town] 1928 (EBD 1)

Industrial structure of New England [on economic and population characteristics, agriculture, and industry; with detailed data by State] 1930 (EBD 1)

The American spirit: address by the Honorable Francis B. Sayre, assistant secretary of state, before the American Association of School Administrators, Atlantic City, N. J., Mar. 1, 1938, Department of State (EBD 2)

Indians at work; September 1941. 1941. Office of Indian Affairs, Department of Interior. (EBD 3)

Army Song Book. 1941. Adjutant General's Office, Department of War (EBD 3)

The Soldier and his Recreation. 1942. Bureau of Public Relations, Department of War (EBD 3)

What we have in America, an interpretation of American democracy [textbook on citizenship]. 1943. Immigration and Naturalization Service, Department of Justice (EBD 4)

Introduction to America, interpretation of American democracy for use in public schools by candidates for naturalization. 1943. Immigration and Naturalization Service, Department of Justice (EBD 4)

About Face! [part of a series for soldiers to put on good GI shows for GI audiences). 1944. Special Services Division, Army Service Forces, Department of War (EBD 4)

Soldier shows, 26-week entertainment program guide, folio 31, sketches, crossovers, quizzes, revues, blackouts, parodies. 1945. War Department (EBD 4)

Songs from Iroquois longhouse, program notes for album of American Indian music from eastern woodlands. 1946. Smithsonian Institution (EBD 5)

Rural handicrafts in United States. 1946. Extension Service, Department of Agriculture (EBD 5)
Anthropology

Smithsonian reports; anthropological observations with body measurements; historic exploration and field work summaries

Statistics, medical and anthropological, of Provost-Marshal-General's Bureau, derived from records of examination for military service in armies of U.S. during late War of Rebellion, of over a million recruits, drafted men, substitutes, and enrolled men, Vol. I [detailed data by age, race, birthplace, marital status, complexion type, height, State, and congressional district], 1875, Department War (EBD 1)

Some results of recent anthropological exploration in Peru [on skeletons and pottery, with bibliography], 1911, Smithsonian Institution (EBD 1)

Contributions to North American ethnology, Volume IV: Houses and houselife of American aborigines, 1881, Geographical and Geological Survey of Rocky Mountain Region, Department of Interior (EBD 1)

Explorations and field-work of Smithsonian Institution in 1934. 1934. Smithsonian Institution (EBD 2)

Melanesians and Australians and peopling of America. 1935. Smithsonian Institution (EBD 2)

Essays in Historical Anthropology of North America. 1940. Smithsonian Institution (EBD 3)

Evidence of early Indian occupancy near the Peaks of Otter, Bedford County, Virginia. 1940. Smithsonian Institution (EBD 3)

Handbook of South American Indians, volume 1, the marginal tribes. 1944. Smithsonian Institution (EBD 4)

Reexamination of fossil human skeletal remains from Melbourne, Fla., with further data on Vero skull. 1946. Smithsonian Institution (EBD 5)

Prehistory and Missouri Valley development program, summary report on Missouri River Basin archeological survey in 1946. 1947. Smithsonian Institution (EBD 5)

Cultural geography of modern Tarascan area. 1948. Smithsonian Institution (EBD 5)

Asian Studies

Western perspectives on China, Japan, the Philippines, and other Asian countries; socio-economic development; education

Modern education in China [on development, organization, and condition of educational system; with data on schools, students, teachers and staff, expenditures, and graduates, by province or school; and missionary schools], 1919, Office of Education, Department of Interior (EBD 1)

Commercial handbook of China: Vol. 2 [on history, government, judicial procedure, industrial development, commercial practices, foreign trade, and leading commodities; with data, lists of American officials and organizations, glossary of words and expressions; and bibliography], 1920 (EBD 1)

Advertising methods in Japan, China, and Philippines [by type of media; with data, and list and brief description of important periodicals in Japan and Philippines], 1921, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Religion in Szechuan Province, China [on popular religion and culture], February 04, 1928, Smithsonian Institution (EBD 1)

Japanese government encourages use of domestic products [on preference policy for articles of domestic manufacture over imports in government procurement], May 25, 1932, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Central light and power plants in India (including Burma) [with data on electric power generation and distribution; by city and company], September 10, 1931, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Radio broadcasting stations in Asia [list by country and city, with call letters, wavelength, frequency, power, and year licensed], May 21, 1930, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Fuel and Power in Japan. 1935. Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 2)
Asian Studies (cont.)

- World electrical markets: no. 58, China, including foreign influence areas (Hong Kong, Macao, Kwantung leased territory, Manchuria). 1937. Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 2)

- The Child—Monthly News Summary, October 1937 [incl article on Child workers in Shanghai]. 1937. Children's Bureau, Department of Labor (EBD 2)

- United States Imports from Japan and their Relation to the Defense Program and to the Economy of the Country. 1941. Tariff Commission (EBD 3)

- Origin of Far Eastern civilizations, brief handbook [cultural and historical perspectives on China]. 1942. Smithsonian Institution (EBD 3)

- Peoples of the Philippines. 1942. Smithsonian Institution. (EBD 3)

- The Japanese. 1943. Smithsonian Institution (EBD 4)

- Army Service Forces Manual, M-354-7, Civil Affairs Handbook, Japan, Section 7: Agriculture. 1944. Army Service Forces, Department of War (EBD 4)

- Civil affairs studies: II, Languages of Japanese Mandated Islands. 1944. Office of Naval Operations, Department of Navy (EBD 4)

- Sailing Directions for the Coast of China, From the Yalu River to the Approach to Hong Kong—The Yangtze River—The Coasts of Taiwan (Formosa) and the Pescadores Islands, Fourth Edition. 1943. Hydrographic Office, Naval Operations Office, Department of Navy (EBD 4)

- Principal Pre-War Imports of Far Eastern Countries from Regions Outside Japanese-Occupied Asia. 1943. Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 4)

- Know our allies, progress and poverty in China. 1944. Army Service Forces, Department of War (EBD 4)

- Gazetteer of Chinese geographic names, reprint of a publication compiled by the Information Bureau, Japanese Foreign Office. 1945. Military Intelligence Division, Department of War (EBD 4)

- The United States Strategic Bombing Survey, the effects of bombing on health and medical services in Japan. 1945. Department of War (EBD 4)

- Japanese fishing industry. 1945. Fish and Wildlife Service, Department of Interior (EBD 4)

- Mission accomplished, interrogations of Japanese industrial, military, and civil leaders of World War II. 1946. Army Air Forces (EBD 5)

- United States Educational Foundation in China, agreement between the United States of America and China. 1947. Department of State (EBD 5)

- Transfer of United States naval vessels and equipment to the Chinese Government, agreement and accompanying notes between the United States of America and China. 1947. Department of State (EBD 5)

- The Grand Empress Dowager Wen Ming and the Northern Wei Necropolis at Fang Shan. 1947. Freer Gallery of Art, Smithsonian Institution (EBD 5)

- The effects of irradiation from the atomic bomb on the Japanese. 1947. Atomic Energy Commission (EBD 5)

- Third report to Congress on the United States foreign relief program, for the quarter ended March 31, 1948. 1948. Department of State (EBD 5)
Biology
Agricultural pests; parasites; biological species collected in U.S. and non-U.S. areas; biological investigations; botany

- Papers on cotton boll weevil and related and associated insects, Part II: Notes on biology of certain weevils related to cotton boll weevil, February 05, 1907, Department of Agriculture (EBD 1)
- Contributions to biology of Philippine Archipelago and adjacent regions: Papers on collections gathered by “Albatross” Philippine expedition, 1907–1910 [Vol. 2; on distribution, characteristics, and taxonomy of specimens collected], Smithsonian Institution (EBD 1)
- Progress in biological inquiries, 1938, Bureau of Fisheries, Department of Commerce (EBD 2)
- Report of the Chief of the Bureau of Biological Survey. 1935. Bureau of Biological Survey, Department of Agriculture (EBD 2)
- Progress in Biological Inquiries, 1939. 1940. Bureau of Fisheries, Department of Interior (EBD 3)
- The Status of Migratory Birds: 1939–40. 1940. Bureau of Biological Survey, Department of Interior (EBD 3)
- Big-Game Inventory of the United States, 1940. 1942. Fish and Wildlife Service, Department of Interior (EBD 3)
- Biology of the Atlantic Mackerel (Scomber scombrus) of North America, part I, early life history. 1943. Fish and Wildlife Service, Department of Interior (EBD 4)
- The Steelhead and Rainbow Trouts. 1945. Division of Fishery Biology, Fish and Wildlife Service, Department of Interior (EBD 4)
- Outlook for women in the biological sciences, botany, bacteriology, zoology, general biology. 1948. Bureau of Women, Department of Labor (EBD 5)

Business
Historic development of U.S. business and financial systems; surveys of business; commerce and trade reports

- Report of Secretary of Treasury to President on Second Pan American Financial Conference, Washington, Jan. 19–24, 1920 [on monetary and banking systems, public finance, economic and trade conditions, and infrastructure of American republics; financial and commercial disturbances of World War I; and means for increased commercial cooperation; with summary proceedings, lists of participants, and some data], 1921 (EBD 1)
- Survey of current business, Sept. 1936, Department of Commerce (EBD 2)
- Report of the delegates of the United States to the Pan American Commercial Conference, held at Buenos Aires, Argentina, May 26–June 19, 1935, 1936, Department of State (EBD 2)
- Government and business, an address by Honorable Daniel C. Roper, Secretary of Commerce, guest of honor at complimentary dinner given by the Business Advisory Council for the Department of Commerce, at the Chicago Club, Wednesday evening, Dec. 1, 1937, Department of Commerce (EBD 2)
- Opportunities for small business in the fisheries of the Pacific Northwest and Alaska. Feb. 1945. Department of Interior (EBD 4)
- Selecting a store location. Aug. 1946. Department of Commerce (EBD 5)
- Reconversion of war industries, Central Valley Project Studies. Jan. 1947. Department of Interior (EBD 5)
- Private enterprise in the development of the Americas. Jan. 1946. Department of State (EBD 5)
Chemistry

Agriculture Department Division of Chemistry reports; chemical warfare; historic data on coal chemistry; chemical tests; handbooks; use of chemical pesticides; chemical industries of U.S. and selected European countries; chemical developments

Chemical warfare, Vol. 17, 1931 to October, 1931, Chemical Warfare Service, Department of War (EBD 1)

World chemical developments in 1937, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 2)

Chemical studies of infertile soils derived from rocks high in magnesium and generally high in chromium and nickel, April 01, 1935, Bureau of Chemistry and Soils, Department of Agriculture (EBD 2)

Development and use of baking powder and baking chemicals. May 1940. Department of Agriculture (EBD 3)

Dust explosions can occur in many plants. Feb. 1940. Department of Agriculture (EBD 3)

Theoretical calculations for explosives, I, explosion temperatures and gaseous products and the effects of changes in carbonaceous material. Jan. 1941. Department of Interior (EBD 3)

The aliphatic alcohols, their toxicity and potential dangers in relation to their chemical constitution and their fate in metabolism. Jan. 1941. Public Health Service (EBD 3)

Precipitation of copper from an acid mine water. Feb. 1944. Department of Interior (EBD 4)

Rare and uncommon chemical elements in coal. Jan. 1944. Department of Interior (EBD 4)

The burning rate of natural graphite. Mar. 1943. Department of Interior (EBD 4)

War Department technical manual, handbook for pharmacy technicians. Nov. 1945. Department of War (EBD 4)

A slide rule for activation and decay calculations. Apr. 1946. Atomic Energy Commission (EBD 5)

Certain chemical and physical properties of the uranium chlorides. Feb. 1947. Atomic Energy Commission (EBD 5)

Reaction of oysters to chlorination. Jan. 1946. Department of Interior (EBD 5)

Studies on explosives and explosions, fiscal year 1945. Oct. 1946. Department of Interior (EBD 5)
Economics
Economic trends, aspects, and indicators; consular and trade reports; Bureau of Agricultural Economics; economic aspects of natural resource use; development of economic policies and systems; history of U.S. financial crises

Report from Secretary of Treasury, on present system of keeping and disbursing public money [with list of State banks; and data on bank conditions, State appropriations and revenues, circulation of foreign currency and coins, and trade in bullion and specie, generally for 1834] (EBD 1)

Decisions of Treasury Department for administration of revenue laws; accompanied with supplement of historical and tabular illustrations of origin, organization, and practical operations of Treasury Department, 1847 (EBD 1)

Synopsis of commercial and revenue system of U.S., as developed by instructions and Recent economic changes in U.S.: Report of Committee on Recent Economic Changes of President's Conference on Unemployment [on economic developments, 1922–1929] (EBD 1)

Some economic aspects of farm ownership; trends and variations in some financial burdens and benefits of farm ownership in spring-wheat belt during 25 years; illustrated from history of selected farms in Cass County, N.Dak., 1896–1920 [with data on surveyed farms, finances, property values, May, 1925] (EBD 1)

Japanese banking [on history and characteristics of banking industry; with data on bank finances and activities, and postal system financial activities], 1931, Department of Commerce (EBD 1)

Commerce reports, weekly survey of foreign trade, reports from American consular officers and representatives of Department of Commerce in foreign countries (EBD 1)

Economic planning and national defense, 1933, Department of War (EBD 2)

Money disbursements of wage earners and clerical workers in North Atlantic region, 1934–36; Vol. 1 – New York City, 1939, Bureau of Labor Statistics, Department of Labor (EBD 2)

Demand and price situation (series). 1940–42. Department of Agriculture (EBD 3)

The world sugar situation (series). 1940–42. Department of Agriculture (EBD 3)

Mineral trade notes (series). 1940–41. Department of Interior (EBD 3)

The structure of the American economy, part II, toward full use of resources. Jun. 1940. National Resources Planning Board (EBD 3)

Civil aviation and the national economy. Sept. 1945. Department of Commerce (EBD 4)

Domestic commerce, a weekly bulletin of the national war economy (series). 1943–45. Department of Commerce (EBD 4)

Some factors in the post-war trade with the British Empire. Sept. 1944. Department of Commerce (EBD 4)

The United States in the world economy, the international transactions of the United States during the interwar period. Jan. 1943. Department of Commerce (EBD 4)

New horizons for world trade. Jan. 1946. Department of State (EBD 5)

The requirements of reconstruction, an address by Under Secretary of State Acheson, May 8, 1947. May 1947. Department of State (EBD 5)

Why lend to Britain? Jan. 1946. Department of State (EBD 5)

International monetary policies. Sept. 1947. Federal Reserve System Board of Governors (EBD 5)
**Education**

History of education in the U.S., including development of public education system; teaching methods; conference proceedings; educational surveys; pre-school, K–12, and higher education; vocational education; education in specific locations, with comparisons of U.S. education to education in selected foreign countries; education funding and regulation; education of African Americans, Native Americans, and women

- Account of systems of public instruction in Belgium, Russia, Turkey, Servia, and Egypt [with some data by selected institutions and country], 1875, Bureau of Census, Department of Commerce (EBD 1)
- History of education in Maryland [with data on enrollment at selected institutions], September, 1894, Bureau of Census, Department of Commerce (EBD 1)
- Education for establishment of democracy in world; address before National Education Association at Milwaukee, Wis., July 2, 1919 [text; on organization of U.S. educational system], 1919 (EBD 1)
- Trade and industrial education for girls and women, Part 1: Economic and social aspects of vocational education for girls and women; Part 2: Ways and means of establishing and operating program [and courses offered; with data on women's employment, by age and occupation, October 1920 (EBD 1)
- Minutes of Board of Trustees of Public Schools in and for D.C., July 12, 1881 to June 24, 1884 [with by-laws of Board and rules of public schools; and data on enrollment, attendance, teachers, tardiness, punishment, dismissals, and detailed school expenses; for white and black schools], 1884 (EBD 1)
- Comparison of public education in Germany and in U.S., 1913, Education Office, Department of Interior (EBD 1)
- Statistics of State universities and other institutions of higher education partially supported by State, for year ended June 30, 1908 [with data on enrollment by curriculum, teaching force and pay, and school finances and property value, by institution], 1909 (EBD 1)
- Horizontal organization of secondary education [with data on schools and students surveyed; teachers; curricula; Federal aid; enrollment; vocational and educational guidance; student transportation; socioeconomic characteristics of students and their families; opinions of students and teachers, 1934, Education Office, Department of Interior (EBD 2)
- Children bear the promise of a better world . . . their education is democracy's strength. Jan. 1942. Department of Labor (EBD 3)
- Food conservation education in elementary school program. Jun. 1944. Department of Agriculture (EBD 4)
- Education for the air age. Aug. 1944. Department of Commerce (EBD 4)
- Cooperative education, agreement between the United States of America and Panama. Nov. 1944. Department of State (EBD 4)
- Education manual no. 11, what shall be done with the war criminals? Jan. 1945. Department of War (EBD 4)
- Education in wartime, a manual for education committees of local defense councils. Nov. 1943. Office for Emergency Management (EBD 4)
- Educational exhibits, how to prepare and use them, manual for extension workers. Jan. 1948. Department of Agriculture (EBD 5)
- Evaluation of instructional techniques described as effective by flight instructors. Jun. 1946. Department of Commerce (EBD 5)
- Flying school rating . Apr. 1946. Department of Commerce (EBD 5)
- How to build terrain models. Jan. 1946. Department of Navy (EBD 5)
- Education of veterans in France. Apr. 1946. Veterans Administration (EBD 5)
Environmental Studies

Report of International Meteorological Congress, held at Chicago, Ill., Aug. 21–24, 1893, under auspices of Congress Auxiliary of World’s Columbian Exposition: Part III [on climate of U.S. and selected foreign countries, and instruments and methods of investigation; with some data], 1886 (EBD 1)

Report of Selby Smelter Commission, with accompanying papers [on environmental impact of California smelter emissions; with detailed data on concentration of sulphur dioxide and other pollutants, by location; effects on crops and livestock; wind; commission finances; and plant operations and emissions, July, 1915 (EBD 1)

Disposal of petroleum wastes on oil-producing properties, March 01, 1938, Bureau of Mines, Department of Interior (EBD 2)

Acquisition of National Wildlife Refuge lands under the Migratory Bird Conservation Act. Apr. 1941. Department of Interior (EBD 3)

Federal aid in wildlife restoration, general information. May 1941. Department of Interior (EBD 3)

Improving farm environment for wildlife. Jan. 1942. Department of Interior (EBD 3)

Our forests, what they are and what they mean to us. Jul. 1944. Department of Agriculture (EBD 4)

Terracing for soil and water conservation. Apr. 1943. Department of Agriculture (EBD 4)

Effects of DDT and other insecticides on fish and wildlife, summary of investigations during 1947. Jan. 1948. Department of Interior (EBD 5)

Gold Coast sea fisheries. Aug. 1947. Department of Interior (EBD 5)

Guarding our wildlife resources. Jan. 1948. Department of Interior (EBD 5)

Natural resources of Japan. Jun. 1947. Department of Interior (EBD 5)

Film Studies

Development of silent film industry in U.S. and various non-U.S. countries; introduction of sound; film use in education and government information

Market for motion pictures in Central Europe, Italy and Spain [on commercial features of production, distribution, and exhibition; with data], 1926 (EBD 1)

Executive Branch Documents, July 01, 1927, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Motion pictures in Argentina and Brazil [with data on imports, screenings, and censorship; Brazilian duties; and Argentinean theaters and receipts] July 01, 1929, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Motion pictures in Japan, Philippine Islands, Netherland East Indies, Siam, British Malaya, and French Indo-China [on production, distribution and exhibition; with data on imports and exports, attendance, admission prices, and censorship in selected countries], July 01, 1929, Bureau of Foreign and Domestic Commerce, Department of Commerce (EBD 1)

Motion pictures of Department of Agriculture, April 01, 1938, Motion Pictures Division, Department of Agriculture (EBD 2)

Films for defense. Sept. 1942. Office for Emergency Management (EBD 3)

Industrial films, a source of occupational information. Feb. 1946. Department of Labor (EBD 5)

Motion picture testing and research. Jan. 1947. Department of War (EBD 5)

Food and Nutrition Studies

Food supply and consumption; dietary studies; diet and nutrition in specific U.S. and non-U.S. areas

- Plants used by Indians of Mendocino County, Calif. [with detailed classification of plants by use; some data on nutritional composition of acorn meal and bread; and glossary of Indian names with scientific equivalents], 1902, Division of Botany, U.S. National Herbarium (EBD 1)

- Meat supply and surplus, with consideration of consumption and exports [with data on export quantity and value; value, number, and weight of live and slaughtered meat animals; and meat consumption, prices, and nutritional content; generally by commodity and country, selected years 1851–1907], October 25, 1907, Division of Foreign Markets, Department of Agriculture (EBD 1)

- Digest of Japanese investigations on nutrition of man [with data on nutritional and energy value and digestibility of traditional foods consumed by Japanese people of various occupations and social classes], 1905 (EBD 1)

- Dietary studies in Boston and Springfield, Mass., Philadelphia, Pa., and Chicago, Ill. [with data on nutritional and energy value and cost of foods consumed by boarders at 2 colleges, 1903, Department of Agriculture (EBD 1)

- Vitamin content of foods, summary of chemistry of vitamins, units of measurement, quantitative aspects in human nutrition, and occurrence in foods, June 01, 1937, Department of Agriculture (EBD 2)

- Compilation of vitamin values of foods in relation to processing and other variants. May 1942. Department of Agriculture (EBD 3)

- Family food consumption and dietary levels, five regions. Jan. 1941. Department of Agriculture (EBD 3)

- Vitamin content of foods, summary of chemistry of vitamins, units of measurement, quantitative aspects in human nutrition, and occurrence in foods, June 01, 1937, Department of Agriculture (EBD 2)

- Compilation of vitamin values of foods in relation to processing and other variants. May 1942. Department of Agriculture (EBD 3)

- Family food consumption and dietary levels, five regions. Jan. 1941. Department of Agriculture (EBD 3)

- The road to good nutrition. Jan. 1942. Department of Labor (EBD 3)

- The soldier and his food. Jan. 1942. Department of War (EBD 3)

- Bibliography on butter oil. Jul. 1944. Department of Agriculture (EBD 4)

- Brief review of food and nutrition in five countries. Jan. 1944. Department of Agriculture (EBD 4)

- School lunch recipes. Dec. 1943. Department of Agriculture (EBD 4)

- The food value of fish and shellfish. Sept. 1943. Department of Interior (EBD 4)

- Efficient use of food resources in the United States. Oct. 1948. Department of Agriculture (EBD 5)

- Foods, enriched, restored, fortified. Jul. 1946. Department of Agriculture (EBD 5)

- Home freezing of fruits and vegetables. May 1946. Department of Agriculture (EBD 5)

- Sweet potato recipes. Oct. 1946. Department of Agriculture (EBD 5)

- Vitamin and mineral values of vegetables as served in an Army mess. Aug. 1947. Department of Agriculture (EBD 5)
Geological Sciences

Historic geological surveys; geologic atlas and topographic maps; geologic features of oil and gas fields; data on chemical content of rock forms

- Bulletins of Geological and Geographical Survey of Territories [with articles, and occasional statistics, on results of geological and geographical surveys in western territories; and some comparisons with other U.S. and world regions], September 30, 1880. Geological and Geographical Survey of Territories (EBD 1)
- Cambrian geology and paleontology, II: No. 7, Cambro-Ordovician boundary in British Columbia with description of fossils, March 08, 1912. Smithsonian Institution (EBD 1)
- Geology of Anthracite Ridge coal district, Alaska, 1936. Geological Survey, Department of Interior (EBD 1)
- Geology and water resources of Mud Lake region, Idaho, including Island Park area, 1939. Geological Survey, Department of Interior (EBD 2)
- Supposed jellyfish from pre-Cambrian of Grand Canyon. Jan. 1941. Smithsonian Institution (EBD 3)
- Faunal content of the Maryville formation. Feb. 1942. Smithsonian Institution (EBD 3)
- Geology of the coastal plain of Georgia. Jan. 1943. Department of Interior (EBD 4)
- The job of the geologist, prepared for use in the education programs of the armed services. Sept. 1945. Department of War (EBD 4)
- Geologic mapping by means of graphic locator. Jan. 1946. Department of Interior (EBD 5)
- Contributions to geochemistry, 1942–45. Jan. 1946. Department of Interior (EBD 5)
**Government**

- Official opinions of Attorneys-General of U.S., advising President and heads of departments, in relation to their official duties; and expounding Constitution, subsisting treaties with foreign governments and with Indian tribes, and public laws of country: Volume IV, 1852 (EBD 1)

- Reports on law of civil government in territory subject to military occupation by military forces of U.S. [compilation of reports], 1902 (EBD 1)

- Government in U.S. [on organization and historical development of American law from its origins in English common law, and Federal, State, local, and territorial government bodies; with outline of principal Supreme Court cases, and texts of Declaration of Independence, Constitution, and Bill of Rights], 1904 (EBD 1)

- Documentary history of Constitution of U.S.A., 1786–1870, derived from records, manuscripts, and rolls deposited in Bureau of Rolls and Library of Department of State, Vol. V, with special index [covering letters and papers from Aug. 1, 1788 to death of James Madison], September 1905 (EBD 1)

- Let freedom ring! A manual adapting to use in classroom and assembly, and in the local broadcasting station, the radio series Let freedom ring, presenting dramatically our civil rights under the Constitution, as broadcast from coast to coast under auspices of the Office of Education, 1938, Office of Education, Department of Interior (EBD 2)

- County government and administration in the Tennessee Valley states. Jul. 1940. Tennessee Valley Authority (EBD 3)

- Government purchase and sale in Canada during the war. Jun. 1943. Office for Emergency Management (EBD 4)

- U.S. government campaign to promote the production, sharing, and proper use of food, book IV, the Victory Gardens campaign. Jan. 1943. Office for Emergency Management (EBD 4)

- Home loans under the GI Bill of Rights, how your government will help you finance the building or buying of a home. Jan. 1946. National Housing Agency (EBD 5)

- America, a full and fair picture, the government's information and cultural relations program overseas. Apr. 1946. Department of State (EBD 5)

- Your government's records in the National Archives. Jan. 1946. National Archives and Records Administration (EBD 5)

- A statement of certain policies of the executive branch of the government in the general field of aviation. Aug. 1947. Department of Commerce (EBD 5)

- Governmental units overlying city areas. Oct. 1947. Department of Commerce (EBD 5)
**History—U.S. (19th and early 20th century)**

Aspects of U.S political and socioeconomic history; westward expansion and relations with Native Americans; military history; Civil War; Spanish American War; Cuba; Philippines; World War I; women's history; immigration; foreign relations and diplomacy; governmental institutions formation and development; history of public policy

### U.S. History—General

- Account of expedition from Pittsburgh to Rocky Mountains, performed in years 1819 and '20, by order of J. C. Calhoun, Secretary of War, under command of Major Stephen H. Long, from notes of Major Long, Mr. T. Say, and other gentlemen of exploring party; in 2 volumes, with atlas: Vol. I [detailed description of natural resources and Indians encountered, with catalog of wildlife, Indian sign language and speeches, and data on Indian graves], 1823, Department of War (EBD 1)

- Papers of James Madison, purchased by order of Congress, being his correspondence and reports of debates during Congress of Confederation and his reports of debates in Federal Convention, now published from original manuscripts deposited in Department of State, Vol. I [debates on Declaration of Independence and Articles of Confederation, and related correspondence, 1776–1783, 1840] (EBD 1)

- Report of Secretary of Navy in relation to armored vessels [compilation of reports from North and South Atlantic, Western Gulf, and Mississippi Squadrons on efficiency, capability, and Civil War service of ironclads; with data on vessels at Charleston, S.C.; and armament and stores of C.S.S. Atlanta, 1864, Department of Navy (EBD 1)]

- Report of James Scott, U.S. Consul at Honolulu, Hawaiian Islands, relating to effect of reciprocity treaty between Hawaii and U.S., made under instructions from Treasury Department [with data on trade of selected commodities and duties remitted by U.S.], 1878 (EBD 1)

- Annual report of Major General Arthur MacArthur, U.S. Volunteers, commanding Division of Philippines, Military Governor in Philippine Islands, Vol. I [with rosters of troops for Division of Philippines and Department of Mindanao and Jolo], 1900, Philippines Division, Department of War (EBD 1)

- Papers of American Historical Association, Vol. III, 1889 (EBD 1)

- Guam: Brief extracts from publications, memoranda furnished Congress, general orders, and annual reports for 1901–1904, relative to island of Guam; also report on schools, criminal procedure, etc., and report of civil engineer (EBD 1)

- Annual report of Major General Leonard Wood, commanding Department of Cuba, 1901 [issued separately with appendixes; on conditions in Cuba and operations of military department, with data], 1901, Department of Cuba, Department of War (EBD 1)

- Reports on law of civil government in territory subject to military occupation by military forces of U.S. [compilation of reports], 1902 (EBD 1)

- Five years of War Department following War with Spain, 1899–1903, as shown in annual reports of Secretary of War [on action and policy relating to military government of Puerto Rico; establishment of Republic of Cuba; China Relief Expedition of 1900; Philippine insurrection and civil government; Army reorganization; and beginning of new militia system; with data], 1904 (EBD 1)

- American campaigns, in 2 volumes, Vol. I: Text [from French and Indian War through Spanish-American War, with listing of commanders in principal Civil War campaigns and battles], 1909: Military Information Division, Department of War (EBD 1)

- Custody of war prisoners, 1917; [text of regulations on lodging and treatment of military and nonmilitary prisoners of Army and Navy in World War I] (EBD 1)

- War aims: How to conduct course of talks on that subject for young American soldiers [on World War I training lectures], July 26, 1918, Provost Marshal General's Bureau, Department of War (EBD 1)

- American Indian in World War [on war service of individual Indians], Office of Indian Affairs, Department of Interior, 1927, Office of Indian Affairs, Department of Interior (EBD 1)

- Policy of the United States toward maritime commerce in war, vol. 2: 1914–1918, with documents, 1936, Department of State (EBD 2)

- Abraham Lincoln, from his own words and contemporary accounts. Jan. 1942. Department of Interior (EBD 3)

U.S. History—General (cont.)

Perry at Put in Bay, echoes of the War of 1812. Jan. 1941. Department of Interior (EBD 3)

Bio-bibliographical index of musicians in the United States of America since colonial times. Jun 1941. Pan American Union (EBD 3)

Uncle Sam, how he grew, 150 years of American history as recorded in the U.S. census. Jan. 1943. Department of Commerce (EBD 4)

History of the Fifteenth United States Army. Aug. 1944. Department of War (EBD 4)

The oldest legislative assembly in America and its first statehouse. Jan. 1943. Department of Interior (EBD 4)

Jamestowne in the words of contemporaries. Jan. 1944. Department of Interior (EBD 4)

Jefferson and agriculture, a sourcebook. Jan. 1943. Department of Agriculture (EBD 4)

The seal of the United States. Jan. 1946. Department of State (EBD 5)

The Medal of Honor of the United States Army. Jan. 1948. Department of Army (EBD 5)

Rural handicrafts in the United States. Nov. 1946. Department of Agriculture (EBD 5)

U.S. History—Immigration

Digest of “Chinese exclusion” laws and decisions, 1899 (EBD 1)

Terms, conditions, and limitations with form of proposal for exclusive privilege of exchanging aliens’ foreign money at Ellis Island Immigration Station for three years ending June 30, 1911, Bureau of Immigration and Naturalization, Department of Commerce and Labor (EBD 1)

Immigration Bulletin 1911 to December, 1911, Bureau of Immigration and Naturalization, Department of Commerce and Labor (EBD 1)

Annual report of Commissioner-General of Immigration for fiscal year ended June 30, 1902, Bureau of Immigration, Department of Treasury, Also includes data on enforcement of Chinese exclusion laws (EBD 1)

Immigration laws and regulations of July 1, 1907 (EBD 1)

Regulations relating to coming of Japanese and Korean laborers to continental territory of U.S. [on Executive order, text], Mar. 26, 1907 (EBD 1)

Treaty, laws, and regulations governing admission of Chinese; regulations approved Feb. 26, 1907 (EBD 1)

Increase of population in U.S., 1910–1920: Study of changes in population of divisions, States, counties, and rural and urban areas, and in sex, color, and nativity, at 14th Census [with data, including detail and analysis for notable changes in population composition and distribution], 1922 (EBD 1)

Memorandum of Commissioner of Immigration and Naturalization to Committee on Immigration of Senate and Committee on Immigration and Naturalization of House of Representatives, relative to certain proposed changes in immigration law, April 24, 1934 (EBD 2)
U.S. History—Medicine

Medical and Surgical History of War of Rebellion. Volume I: Medical History; Part II [on epidemiology of diarrhea and dysentery, including cases studies; with summary data on incidence and deaths, by region for white and colored troops, and comparisons for Confederate troops], 1879, Army Medical Department, Department of War (EBD 1)

Medical Department of U.S. Army in World War, Volume XI: Surgery, part 2, empyema, maxillofacial surgery, ophthalmology (U.S.), ophthalmology (American Expeditionary Forces), otolaryngology (U.S.), otolaryngology (American Expeditionary Forces) [with detailed data on influenza and pneumonias, 1924, Army Medical Department, Department of War (EBD 1)

U.S. History—Sports and Leisure

Athletic sports and field days at military posts, May 15, 1903 (EBD 1)

Address of the President at Harvard Union, Feb. 23, 1907 [on college life and athletics, participation in politics, and foreign and domestic policy; delivered by Theodore Roosevelt], 1907 (EBD 1)

Social plays, games, marches, old folk dances, and rhythmic movements for use in Indian schools, 1911, Office of Indian Affairs, Department of Interior (EBD 1)

Government civilian rifle clubs [on organization and activities of clubs affiliated with National Rifle Association; with data on ordnance prices, shooting match results, and club membership; list of clubs by State or territory; and text of regulations], 1914 (EBD 1)

Games suitable for group athletics in Indian schools [on game rules, with sample score card], 1919 (EBD 1)

Intramural and interscholastic athletics [with data on administration, organization, participation, and injuries in sports in surveyed secondary schools], 1933 (EBD 2)
History—Modern World (19th and early 20th century)
Western perspectives on Japan, Russia, Middle East, selected European countries; Russo-Japanese War; trade; colonialism

- Narrative of U.S. exploring expedition during years 1838–1842, in 5 volumes and atlas: Vol. V [with data on weather for Vancouver; population of Oregon, California, and Cape Colony; foreign trade of Hawaii and Manila; schools in Hawaii; exchange rates by port; and body measurements of Pacific Islanders, 1845 (EBD 1)]
- Russian account of official mission to Russia of Hon. G. V. Fox, in 1866 [translation of articles from Russian navy gazette on visit of Assistant Secretary of U.S. Navy to present Congressional Resolution regarding attempted assassination of Alexander II], 1867, Department of State (EBD 1)
- Report on naval mission to Europe, especially devoted to material and construction of artillery: Volume II [on artillery and naval ordnance of selected European countries; with data on naval personnel for Austria and France; artillery personnel for Russia; and ordnance ballistics for France, Russia, and Sweden], 1873 (EBD 1)
- Report of U.S. consul at Odessa, Russia, on condition of wool trade between South Russia and U.S., 1887, Department of Treasury (EBD 1)
- Reports of military observers attached to armies in Manchuria during Russo-Japanese War, Part V [observations on Japanese and Russian armies, with data on force strengths, Japanese rations and officers pay, and Russian transportation], March 01, 1907, Military Information Division, Department of War (EBD 1)
- French possessions in tropical Africa on history, government administration, communications and transportation, and resources; [with some data]. June 9, 1924 (EBD 1)
- Market for industrial machinery in British South Africa [with data on population size; factories; and industrial machinery imports, by type of equipment], Sept. 1930 (EBD 1)
- Portuguese East Africa: Its resources, industries, and trade [with data], 1923 (EBD 1)
- Women's part in World War II, a list of references. May 1942. Library of Congress (EBD 3)
- Tale of a city, Warsaw, Poland. Jan. 1942. Office for Emergency Management (EBD 3)
- International reference service, French Indochina's economic position in 1940. Sept. 1941. Department of Commerce (EBD 3)
- Digests and lessons of recent military operations, the German campaign in Poland, Sept. 1 to Oct. 5, 1939. Mar. 1942. Department of War (EBD 3)
- National planning in selected countries. Aug. 1941. National Resources Planning Board (EBD 3)
- Divide and conquer, the story of Nazi terror. Jan. 1942. Office for Emergency Management (EBD 3)
- Selection of works for understanding world affairs since 1914. Jan. 1943. Library of Congress (EBD 4)
- The effects of strategic bombing on the German war economy. Oct. 1945. Department of War (EBD 4)
- Soviet Russia, selected list of recent references. Jan. 1944. Library of Congress (EBD 4)
- The United States strategic bombing survey, the electric power industry of Japan. Oct. 1945. Department of War (EBD 4)
- Prosecution and punishment of the major war criminals of the European Axis, agreement between the United States of America and the French Republic, the United Kingdom of Great Britain and Northern Ireland, and the Union of Soviet Socialist Republics and protocol. Aug. 1945. Department of State (EBD 4)
- The axis in defeat, a collection of documents on American policy toward Germany and Japan. Jan. 1945. Department of State (EBD 4)
- Building a new world economy. Jan. 1946. Department of State (EBD 5)
- The European recovery program, information for Americans going abroad. Jan. 1948. Economic Cooperation Administration (EBD 5)
- The United States Strategic Bombing Survey, the effects of atomic bombs on Hiroshima and Nagasaki. Jun. 1946. Department of War (EBD 5)
International Relations

International unions, commissions, conferences, and expositions

History of International Union for Protection of Industrial Property, including discussion of articles of Union and their effect upon industrial property of citizens of U.S. [with text of convention], September 01, 1887, Patent Office, Department of Interior (EBD 1)

Report to governments of the republics, members of Pan American Union, on work of Union since close of 4th International Conference of American States, covering period 1910 to 1923, 1910, Pan American Union (EBD 1)

Proceedings of International (Water) Boundary Commission, U.S. and Mexico, treaties of 1884 and 1889: Equitable distribution of waters of Rio Grande [on river obstruction and land ownership disputes arising from river changes, with extracts from treaties, data on water supply and use], 1903, International Boundary and Water Commission, U.S. and Mexico (EBD 1)

Report of American commissioners of International Commission on Teaching of Mathematics [on curricula, teaching methods, and teacher training in U.S. schools, and commission activities; with list of commission members], 1912, Education Office, Department of Interior (EBD 1)

American Delegations to International Conferences, Congresses, and Expositions, and American Representation on International Institutions and Commissions, with relevant data; Fiscal Year Ended June 30, 1934, 1935, Department of State (EBD 2)

International relations and the foreign policy of the United States: radio address by Cordell Hull, secretary of state, over the red network of National Broadcasting Company, August 16, 1938, 1938 (EBD 2)

Our foreign policy and national defense. Sept. 1940. Department of State (EBD 3)

Agriculture and international trade relationships. Jan. 1941. Department of State (EBD 3)

The international control of atomic energy, growth of a policy. Aug. 1945. Department of State (EBD 4)

Report of the Allied mission to observe the Greek elections. Apr. 1946. Department of State (EBD 5)

Educational exchanges under the Fulbright Act. Nov. 1948. Department of State (EBD 5)

The inauguration of the trusteeship system of the United Nations. Mar. 1947. Department of State (EBD 5)

Latin America Studies
Latin Americans and Spanish-speaking people in the United States; U.S. perspectives on Latin America; historic socio-economic developments in selected Latin American countries

- Dietary studies in New Mexico in 1895 [with data on nutritional and energy value, and cost if purchased, of foods consumed and rejected by 3 families of Mexican origin], 1899, Office of Experiment Stations, Department of Agriculture (EBD 1)
- Chile, general descriptive data [on geography, history, government, industry, transportation, and education; with data on population and land area, by province], 1923, Pan American Union (EBD 1)
- The education of Spanish-speaking children in five southwestern states, 1933, Office of Education, Department of Interior (EBD 2)
- Some general histories of Latin America. Apr. 1941. Department of Agriculture (EBD 3)
- The political and economic solidarity of the Americas. Jan. 1941. Department of State (EBD 3)
- Handbook of South American Indians, volume 2, the Andean civilizations. Jan. 1944. Smithsonian Institution (EBD 4)
- Inter-American relations after World War II. Jan. 1945. Department of State (EBD 4)
- Temporary migration of Mexican agricultural workers, agreement between the United States and Mexico. Jan. 1943. Department of State (EBD 4)
- Women in Latin America, legal rights and restrictions. Jan. 1948. Department of Labor (EBD 5)
- Private enterprise in the development of the Americas. Jan. 1946. Department of State (EBD 5)
- Consultation among the American republics with respect to the Argentine situation. Feb. 1946. Department of State (EBD 5)
- Sovereignty and interdependence in the New World, comments on the Inter-American system. Feb. 1948. Department of State (EBD 5)
- Charter of the United Nations and statute of the International Court of Justice. 1945. Department of State (EBD 5)
Marine Sciences
Oceanography; historic surveys; conference proceedings; scientific papers

Narrative of North polar expedition, U.S. ship Polaris, Captain Charles Francis Hall commanding, 1876, Department of Navy (EBD 1)

Contribution to oceanography of Pacific, compiled from data collected by U.S. steamer Nero while engaged in survey of route for trans-Pacific cable [with data on temperatures and depth, and descriptions of ocean floor], 1905, Smithsonian (EBD 1)

Explorations of U.S. Coast and Geodetic Survey steamer “Bache” in western Atlantic, Jan.–Mar. 1914, under direction of U.S. Bureau of Fisheries; oceanography [on water conditions, with data on temperature, salinity, and density], 1915, Bureau of Fisheries, Department of Commerce (EBD 1)

Tide Tables, Pacific Ocean and Indian Ocean, For the Year 1936, 1935, Coast and Geodetic Survey, Department of Commerce (EBD 2)

The young of some marine fishes taken in lower Chesapeake Bay, Virginia, with special reference to the gray sea trout Cynoscion regalis (Bloch). Jan. 1941. Department of Interior (EBD 3)

International ice observation and ice patrol service in the North Atlantic Ocean, season of 1940. Jan. 1941. Department of Treasury (EBD 3)

Echinoderms from Greenland collected by Capt. Robert A. Bartlett. Jan. 1940. Smithsonian Institution (EBD 3)

Reports on collections obtained by first Johnson-Smithsonian deep-sea expedition to Puerto Rican deep, new genus and species of eel from Puerto Rican deep. Mar. 1940. Smithsonian Institution (EBD 3)

Tagging and marking fish. Jul. 1945. Department of Interior (EBD 4)

Notes on some barnacles from the Gulf of California. Jan. 1943. Smithsonian Institution (EBD 4)

New marine mollusks from the Antillean region. Jan. 1943. Smithsonian Institution (EBD 4)

Japan's big fishing companies. Sept. 1947. Department of Interior (EBD 5)

Aquatic biology, selected list of books. Mar. 1946. Department of Interior (EBD 5)

On the evolutionary significance of the Pycnogonida. Mar. 1947. Smithsonian Institution (EBD 5)

Middle Eastern Studies
Western perceptions and historic reports on trade, education, relations with US, and government in selected Middle Eastern countries

Agriculture without irrigation in Sahara Desert [on conditions and cultivation of date gardens; with data on temperature in Algeria and Tunisia], November 16, 1905, Bureau of Plant Industry, Department of Agriculture (EBD 1)

Observations Abroad: Report of Major General Nelson A. Miles, Commanding U.S. Army, of his tour of observation in Europe, May 5 to Oct. 10, 1897 [observations of European armies, maneuvers, gun factories, and arsenals; and war between Turkey and Greece], March, 1899, Military Information Division, Department of War (EBD 1)
