Quick Tips

Basic search: On the homepage, enter a name or keyword in the Search box
  • Broaden or narrow results by filtering the conflict/war, places, service branch and more

Filtered search: Search for or enter keywords
  • Quotation marks (“Washington Monument”) often yield better results

Basic browse: Drill down to find publications
  • Use the Browse to search for keywords within specific categories, such as War of 1812, World War II, Recent Wars, etc.

Bookmarks: You can bookmark Images, Index Records, and Memorials using the Bookmark button
  • Find your saved records by hovering over your username on the top menu and clicking on the Bookmarks link
